

Before and After School Care

Mrs Deri-Clark co-ordinates after school care supported by Mrs Pennells

To enable us to plan for after school care we ask that if your child is in Nursery or Reception you tick to choose after school care each day on the sheets that are outside of the classrooms. Class teachers will ask the children in Years 1-3 if they are staying for after school care or please let your child's teacher know at drop off. If you drop at before school care you will be asked by the staff member as they sign your child in.

If during the day you require after school care please call the school office to let us know that your child will be staying. Staff will only sign children into after school care if they are ticked on the lists to avoid any confusion. Many thanks for assisting us in managing after school care efficiently.

Before School Care
