

St Peter's School
3-18YORK

Prepare your
minds for action

1 Peter 1:13

Welcome

Our vision is to be a happy, thriving 3-18 co-educational day and boarding school community that combines a classical, high quality, all-round education with a forward-looking and exciting approach to learning.

We would like to build on our excellent reputation in the North and become known as one of the best all-round independent schools in the country. We will do this by always working to improve as we live the School's Christian values together.

Aims and values

Our seven key values are for every member of our community, and provide a framework that we hope pupils will carry with them throughout their lives:

Friendship

To be a welcoming, caring and inclusive community in which all can feel valued and grow in confidence.

Trust

To speak with honesty and conviction, to listen carefully and openly, and promote strong relationships of trust and loyalty.

Wisdom

To develop enquiring minds and a lifelong love of learning, and provide the inspiration to achieve, through creative teaching and a breadth of extra-curricular opportunity.

Compassion

To encourage self-respect, care for others and an active interest in the world beyond the School.

Endurance

To work hard and participate with whole-hearted commitment and resilience, reflecting on our disappointments and short-comings with honesty.

Humility

To conduct ourselves with generosity of spirit, praising effort and fair play and celebrating our successes with modesty.

Hope

To prepare for the future, always seeking to improve, and approaching each challenge and opportunity with energy and optimism.
